NOTE:

This is to draw the attention of students and parents that Department of Higher Education, Technical Branch, Government of West Bengal had revised the fee structure of B. Tech course from the Academic Year 2023-2024 vide Notification No: 466-Edn-(T)/IOM-04/2004 (Part IV), dated 16th October, 2023 for the Private Self-financing Engineering College.

Moreover, special privileges were given to Autonomous colleges under UGC & MAKAUT for some additional increment of fees over and above the specified fee structure for Private Self-Financing Engineering College.

However, considering the best interest of the 1st year students, we have not made any upward revision in the fee structure for the newly admitted students during the Academic Year 2023-2024 in their 1st year of study.

The fee structure for the B. Tech newly admitted students during the Academic Year 2023-24 shall be revised as per the above mentioned Govt. notification by the Department of Higher Education from their 2nd Year, ie, 3rd Semester onwards and will be notified shortly. All students and parents are requested to cooperate with the college authority and act accordingly.
